

## Map Pricing Policy Statement

The purpose of this policy statement is to ensure all resellers adhere to The Honey Pot Company Map Pricing.

We ask that all resellers follow Map Pricing attached. If the reseller prices above MAP pricing, we require pricing to not surpass 20% higher than MAP Pricing or lower than MAP Minimum SRP.

If the reseller sells bundle deals, we ask that each item included in the bundle not be lower than 15% of Map Minimum SRP.

Upon first violation of MAP policy, a reseller receives a written warning with a 48-hour window to correct the violation and comply with MAP, and reseller's account is placed on temporary hold. If reseller fails to comply or there is a subsequent violation, reseller will receive another warning and the account will be placed on indefinite hold, blocked from placing new orders
